

SHELL SCHEME STAND SPECIFICATION

DO'S

- Use UHU tac – Blutac is best, especially for mounting posters
- Use 3M removable picture hanging strips
- Digitally print your walling through our signage team to install into your shell scheme
- Contact Moreton Hire for advice on more detailed mounting or dressing requirements pre show

DON'Ts

- Paint or wallpaper walling on site. This can cause damage which will incur costs
- Drill or mount to the walling without prior consultation with Moreton Hire
- Pins, staples, screws, nails, bolts, glue, velcro and paint will damage panels and incur additional costs
- Do not assume anything can be attached to the walls that will compromise the strength of the wall. Contact Moreton Hire for clarification

Additions to the shell scheme may be ordered directly with our official contractor Moreton Hire. Please call +61 (0)3 9300 5728 or email tfx@moreton.net.au

WALLING

2400mmH white laminated infill that interconnect at 975mm intervals.

FLOORING

Charcoal carpet tiles.

FASCIA SIGN

The fascia consists of a customized panel with booth number, company name and Total Facilities. Fascia will be provided for all open sided of shell scheme and where necessary will be supported on 40mm square posts.

COMPANY NAME & STAND NUMBER

The company name style is uniform and may not be altered. Names will be printed in upper case 100mm high with a maximum of 25 characters. Words such as Company, Limited, Brothers etc cannot be used and no punctuation will be used

LIGHTING

Spotlights on track will be attached behind the fascia at a ratio of 2 x 23w spots per 9sqm.

POWER

No Power is included with your stand.

Power can be ordered through the official electrical supplier Moreton Hire.

SUPPORT PANELS (if required)

Exhibitors are reminded that in some instances support panels may be necessary to structurally support a stand and to comply with OH&S requirements. These panels/frame work will be either 0.5m or 1.0m wide depending on the wall being supported. They are installed either at right angles to the back wall and/or in the middle of a long length of wall and/or at the front of your stand attached to the side walls.

ADDITIONS

Additional items for your stand may be ordered directly from the official contractor Moreton Hire, by contacting their Exhibitor Services Department on 03 9300 5700 or email tfx@moreton.net.au.
